Previous Summer Staff,

Thank you for your interest in again serving in the ministry of Flathead Lutheran Bible Camp. Because of staffing needs and the need for a healthy balance of returners and those new to FLBC, all former staff will not be automatically rehired. Please be sure to **read all the materials in this packet thoroughly.**

In filling out the application for this summer (cream forms), there is **no need for references** from other people. Also, please **do not answer the written questions printed on the application.** Instead, write (do not type) a brief statement to the following questions:

1. What is the most important thing you learned while at Camp last summer?
2. If you returned for another summer, how would you find the energy and challenge in those things that are the same, and still adapt to those things that will change?
3. Describe how God has been active in your life since Camp.
4. Why do you want to return to ministry at Flathead Lutheran Bible Camp and what goals will you set for yourself this summer?
5. Tell us about a favorite memory from last summer.
6. What are a few specific ways you will reach out to make new staff feel welcome at Camp?

Once you have completed the application and these questions, **return them before Jan. 29, 2010.** **You also need to have a personal interview.** If none of the interview dates listed in the interview schedule (enclosed in your packet) work for you, please call us and we will arrange an interview time and date.

We look forward to visiting with you.

In Christ,

FLATHEAD LUTHERAN BIBLE CAMP MINISTRY

Flathead Lutheran Bible Camp is situated in the majestic Rocky Mountains of western Montana. We are a camping ministry of the Evangelical Lutheran Church in America committed to proclaiming and living out the Gospel of Jesus Christ. The Camp is owned and operated by 65 ELCA churches in western Montana and is open all year to groups of all ages.

Flathead Lutheran Bible Camp was founded in 1943 and is located on the west shore of beautiful Flathead Lake, about 40 miles southwest of Glacier National Park. **On this stunning 225-acre waterfront site, the summer program serves 2,800 youth of all ages, teaching about Christ and the appreciation of God's creation.** Summer camping at Flathead contains three programs: Montana Youth Programs, Glacier Wilderness Adventures, and Day Camps.

The Montana Youth/Adult programs consist of weekly on-site camps for 180+ third through ninth grade youth from across Montana and off-site adventure camps for high school students and adults including: backpacking, rock climbing, rafting, mountain biking, canoeing, sailing, kayaking, servant trips to Seattle, Washington, and Calgary, Alberta. Besides the above trips, FLBC offers the Northwest Choir Camp, and two Family Camps.

Glacier Wilderness Adventures is a program designed for Lutheran youth groups and adults from across the country. These groups spend the week off-site with our staff rafting, backpacking, sailing or doing various backcountry service projects with the Kootenai National Forest or serving at Camp.

Day Camps are an outreach of Flathead Lutheran Bible Camp into the communities of western and central Montana. Staff travels to congregations to provide weeklong programming for first through sixth grade youth. Evenings may include additional programming with senior citizens or teenage youth.

The basic requirement for all staff at Flathead Lutheran Bible Camp is a living and growing faith in Jesus Christ. For eleven and half weeks this summer our call is to live together in Christian fellowship, to be a worshipping community, to minister to one another, and to minister to the campers. Our work with the campers means sharing ourselves with them. We teach them through example, Bible study, play and worship. We seek to create an environment of safety, love, trust and acceptance.

Jesus was a servant first, even to the washing of feet. The glory of Palm Sunday came only once to Him in His life. **At camp we too are servants to the campers and to one another.** Because of this mission, flexibility and adaptability are vitally important considering the tasks we will be asked to accomplish this summer. When counselors are not assigned with campers, the staff is expected to help in other camp support services (i.e. grounds crew, kitchen, etc.).

All staff must have a deep concern and love for people, and must be willing to serve one another to the best of their abilities. **All staff must conduct themselves with responsible and appropriate behavior, both on-site and when away from Camp.** As an employee of Flathead Lutheran Bible Camp, our name and our reputation go with you during your "time off."

2010 Salary and Benefits Information

Benefits: In addition to the cash salary, summer Camp employees receive: lodging at Camp, all meals including weekends, training in Wilderness First-Aid, CPR and workers compensation accident insurance coverage. This insurance will cover all accidents incurred at Camp or while on Camp business. This policy does not provide for individual staff losses of equipment, clothing, or personal belongings. Medical prescriptions and personal doctor appointments are the responsibility of the staff member.

Salary Deductions: Flathead Lutheran Bible Camp is required by law to make the following deductions: Federal Income tax (when applicable), State Income tax, FICA (Social Security) and Medicare. Staff members will complete the appropriate forms prior to the beginning of the summer.

Time Off: The primary purpose of time off activities is to allow the Camp staff rest and relaxation between sessions. Staff members will have designated time off each week that may or may not be the weekend. With various schedules and overlapping camp dates, different staff will have different days off in the middle of the week. It is expected that staff members use this time wisely. **Staff planning to spend the night at camp during their time-off, are expected back on the property by 12 midnight.** This reduces the amount of late night traffic and disruptions to campers, guests, and other staff trying to sleep.

It is illegal to purchase alcoholic beverages for anyone under 21.

Camp staff members assigned to camper groups will not leave their campers after the campers have retired, except in case of an emergency.

Visitors: Staff members are encouraged to have visitors on their time-off only. We invite your family and friends to visit you and the Camp during this time. Visitors are asked not to disrupt normal programming or to use Camp facilities during the Camp week. Any guests for meals or those staying overnight on Camp property must be cleared with the Camp Director prior to the event. **Staff's families are invited to family weekend, July 23-25, 2010.**

Under no circumstances are staff members to smoke while with campers, hiking in the woods, while participating in other routine Camp activities, or at any time when they are in view of campers.

Phone Calls: All staff phone calls should be made from the phone in the Program Office. The telephone in the kitchen and cabin office are the Camp business lines and should not be used for personal calls.

Termination of Employment: Dismissal of staff may be based on inadequate performance, poor relationship, failure to comply with Camp rules, or actions affecting the safety and health of campers, staff or guests.
